

Glove Recycling Service

From benchtop to bin, and back again

Recycle any brand of nitrile glove

Use prepaid shipping label to send gloves to Polycarbin

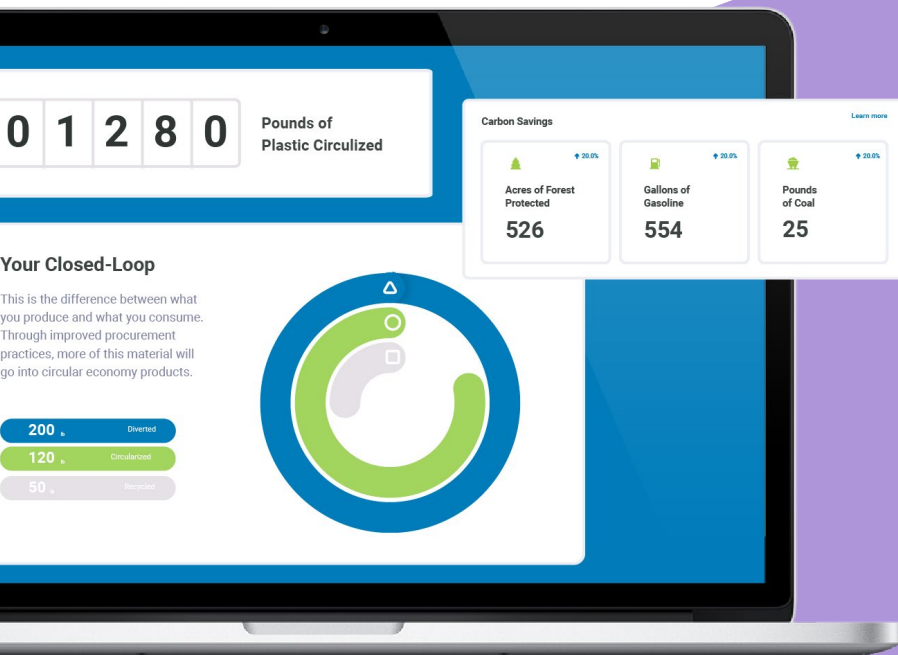

Save money by bundling with other products and services

Nonconforming:

PVC gloves, vinyl gloves, latex rubber gloves, poethylene gloves, anything non-glove (paper, plastic, metal)

Keep your gloves out of the landfill and track your impact.

With every Delta 5-pack, more than 6,000 pairs of gloves are diverted from landfills and repurposed into second generation products.
